

## MILESTONE EVALUATION SHEET

---

The following form should be included with each milestone submission. It will be the mechanism for your instructor to communicate the score and any associated comments to you. It can also be used for you to communicate any assumptions you may have to your instructor.

## MILESTONE EVALUATION SHEET

MILESTONE NO.

6

DATE: May 28, 2018	COURSE NO.: 2831
	INSTRUCTOR: Glenn Elliott

TEAM NO. OR NAME	TEAM MEMBERS
4	Tina Lu
	Andrew Hewitson
	Maria Rodriguez

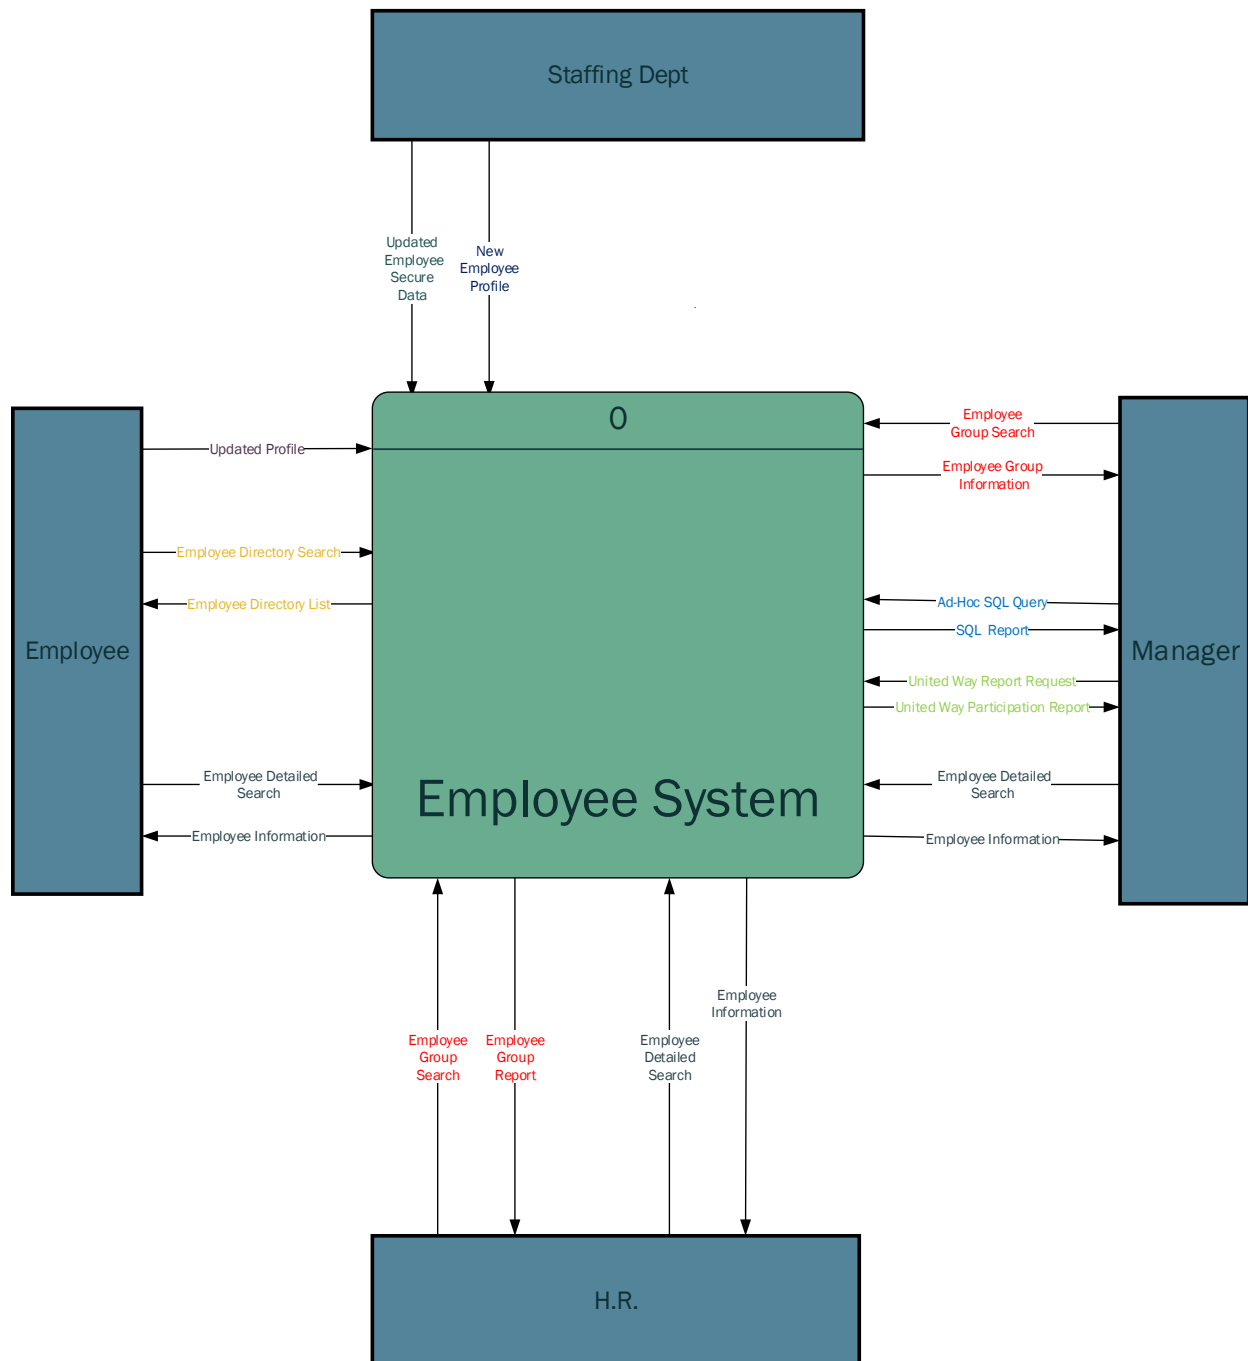

<b>Student comments:</b>
1) For this Milestone, we have enough time to discuss about the diagrams. We all share our opinions, and agreed with what we are presenting in this project.
2) We all participated equally, and helped each other.
3) We clarified our doubts with the instructor and that helped us to progress faster in our project. This helped us as well to understand better how to work with the diagrams and to present the information we wanted.

<b>Instructor comments:</b>
-----------------------------
